RECEIPT OF DEPOSIT/TERMS OF AGREEMENT

Thank you for your deposit of \$500.00 (money order/cash/certified cheque) to reserve a puppy from this litter. Your deposit will only be refunded if I do not have a puppy for you, or do not have your choice of sex.

The total cost of the puppy is \$3500.00. Crate, shipping charges, ect. may be added if necessary. The balance is due on the day you pick your puppy up or prior to shipping. Please pay your balance of \$3000.00 by the above method. **Make cheque payable to: Coreen Belsham**

The order of which puppies are picked is determined by the order the deposits are received. HOWEVER, the pick order may be adjusted to accommodate any puppies going to Show/Breeding or Competition Homes, as so marked on our Sales Agreement, who will receive priority over Companion Homes.

Puppies are evaluated at 7-8 weeks of age to determine the Show/Competition potential puppies. I will do my best to try to accommodate the order of choosing.
